

## CHECK OUT OUR NEWLY UPDATED AND REDESIGNED TEEN CENTER!

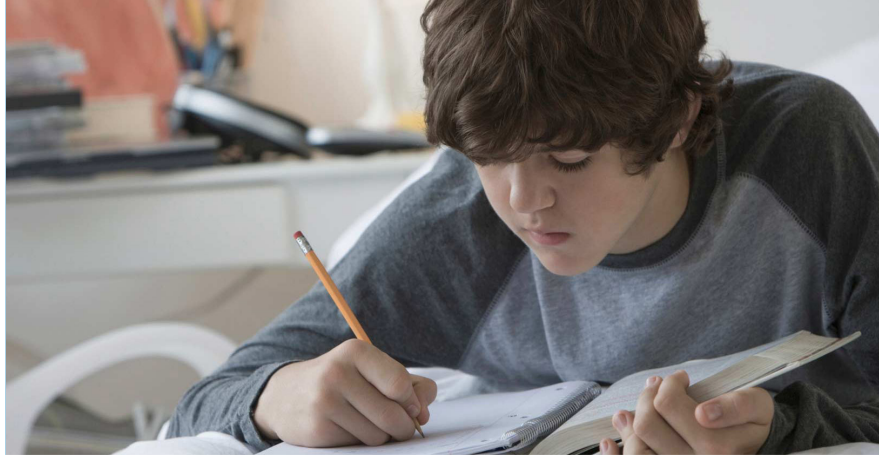

**Please Note:** During the school year, we are open for the hours listed below. However, if school is closed because of a holiday or canceled because of bad weather, drop-in is closed as well.

The Sara Holbrook Teen Center provides a space for teenagers who attend **Burlington High School** and **Hunt Middle School**.

As things improve with COVID, all of our indoor programs will become available to teenagers throughout Chittenden County. **Currently, however, just our outdoor programs are open to all teenagers, no matter which school they attend.**

During the week, the Center provides opportunities for study, indoor and outdoor activities, and socializing with peers.

In response to the pandemic, SHCC Teen Center is providing space for remote learning and supported study hall time for middle and high school students. Please see the schedule below for dates and times.
